

## MONDAY-THURSDAY CLASS

September 2010

### HAPPY TIMES

Our preschool provides a happy environment for your three-year-old to play, learn, listen, enjoy and share experiences. We look forward to spending many happy mornings with your special preschooler.

### RED, RED, RED

During the month of September, we will emphasize the color RED. We hope your child will choose to wear something red to school. We will be peeking into my red bag, sailing red balloons, printing apples with red paint, eating red apples, and pasting red apples on our apple tree.

### WE'RE GROWING

WEIGHING and MEASURING will be done in September. We will learn about how big we are and how we have grown. There will be new things we can do when we grow bigger.

### LIBRARY BOOKS

Soon we will start checking out books from our preschool library. Your child may check out a book each preschool day. When that book is returned, your child may check out another book. So that our library books do not get lost, we suggest that you keep the book in their book bag at all times except while it is being used.

### OUTSIDE PLAY

We hope to play outside in September if the weather permits. Please dress your child for outside play.

### SHOW AND TELL

Each week on Thursday morning we will have Show and Tell. Your child should bring something special, (only one item please), to show and share with the other children. We do this activity in small groups so that the children get used to talking without standing in front of the big group. Please note that we do not let the children take their SHOW AND TELL object out of their bags to play. They must keep them in their bags as a surprise until SHOW AND TELL time. This way we will not lose their precious items.

### CRACKERS

This is our month to bring crackers for the cracker shelf. Please send a box of your child's favorite crackers to share with our preschool. Thank you.

### LABOR DAY

There will be no school on Monday, September 6 to celebrate Labor Day.
