

## MONDAY-WEDNESDAY-FRIDAY CLASS

September 2010

### HAPPY TIMES

Our preschool provides a happy environment for your child to play, learn, listen enjoy and share experiences. We are looking forward to spending many happy afternoons together with your special preschooler.

### NAMES, NUMBERS, AND NIFTY NOISE MAKERS

N is our first letter concept. We will practice writing our NAMES and recognizing our NUMBERS. NOISES will be a fun SHOW AND TELL activity. We will have fun with nests and noses.

### PRINTING, PUPPETS AND PIZZA PARTY

Our next letter will be "P". We will PRINT our names, make PINK and PURPLE, and make PUPPETS. PATTERNING will be a readiness activity that we will work on throughout this unit. We will review our spatial concepts of under, over, next to, atop, beneath, and below when we make PIZZAS for our PIZZA PARTY.

### APPLES, ANTS AND ANIMALS

We will end the month with the letter "A". We will cook with APPLES, make ANIMALS and paint ANTS.

### SHOW AND TELL SCHEDULE

We have Show and Tell every Friday. Please make sure that your child has an appropriate Show and Tell for each week. These times are very special and your child will not feel part of the class if he or she does not bring an item that corresponds to our Show and Tell category. Keep your newsletter posted each month so that you can refer to it before your child gets ready to come to school each day. Thank you for helping us to make this class project worthwhile.

Sept. 3.....something with your child's name on it

Sept. 10.....something that makes noise

Sept. 17.... something that begins with "P"

Sept. 24.....something that begins with "A"

### LIBRARYBOOKS

We will start checking out library books on Friday. Your child may check out a book each day he or she comes to preschool providing they bring back the book they checked out previously.

### LABOR DAY

There will be no school on Monday, September 6 to celebrate Labor Day.
