

FIRST LUTHERAN PRESCHOOL
SEPTEMBER 2010 NEWSLETTER
TUESDAY/WEDNESDAY/FRIDAY CLASS

September has finally arrived with our first day of school - How exciting! We are looking forward here at First Lutheran Preschool to making your child's early school experience a positive and enjoyable one. We strive to nurture your child and to offer a fun and age-appropriate curriculum. Here's to a great school year!

ABC - Our class will concentrate on one letter a week, starting with A and going consecutively through the alphabet. We will start with A on Tuesday, September 7. Our letters for September will be A, B, C and we will begin with D on September 28. We have lots of fun activities, songs and projects centered around the letters.

ALPHABET SNACKS - I will have a sign-up sheet at Orientation for you to sign up to bring a snack that starts with the letter we are on. You can bring your treat any day (Tues, Wed or Fri). Please let me know which day you plan on bringing a treat so we can get it on our calendar. Thanks for your generosity!

LIBRARY - Starting the first week of school, the children may check out one of our library books. For your child this day will be Friday, September 3. When the children return their books, they may check out a new one.

SHOW-AND-TELL - We will have Show-and-Tell on Fridays, starting September 3. The children may bring what they like. One suggestion is to bring something that starts with our letter of the week. The things the children bring will stay in their book bags until we are ready for Show-and-Tell which is usually at the end of our class time together.

HELPERS AND MESSAGE BOARD PERSON - Every time the children come to class, we will have one child be our helper and one child will be our message board person. The helper gets to hold the door when necessary, helps pour the drinks and holds our flag when we pledge, etc. Our message board person gets to put a "message" on our erasable board; at Circle Time the "message" picture is shown and explained to the class. The children will learn to check the back bulletin board to see if it's their turn to be either message board person or helper. This is done on a rotational basis.
